Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the resurfacing of several streets in Lincolnwood, Illinois, in surface transportation reauthorization legislation.

The project sponsor for this project is the Village of Lincolnwood and the project is located on Lawndale, Central Park, and Northeast Parkway in Lincolnwood, Illinois, 60712.

The funding is designated for resurfacing of Lawndale, Central Park, and Northeast Parkway between Touhy Avenue and McCormick Boulevard. This includes HMA surface removal and resurfacing, pavement patching, curb removal and replacement, spot combination concrete curb and gutter removal and replacement, sidewalk removal and replacement and installation of detectable warnings as well as all incidental and collateral work necessary to complete the project.

The project is an appropriate use of taxpayer dollars and is anticipated to provide a useable roadway for a fast growing industrial district in the Village.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jan Schakowsky
Member of Congress
